

# Mujtaba Azhar

## Full Stack Web Developer

Makkah, Saudi Arabia | mujtabaazhar110@gmail.com | +966563255473 | linkedin.com/in/mujtabaazhar

## PROFESSIONAL SUMMARY

Full Stack Web Developer with 3+ years of hands-on experience in building dynamic, scalable web applications using PHP, Laravel, Node.js, MySQL, MongoDB, HTML, and CSS. Proven track record of developing complex systems, including SaaS-based membership and loyalty programs. Passionate about clean code, performance optimization, and delivering user-focused solutions. Seeking a challenging role to contribute technical expertise and continue growing in a collaborative team environment.

## WORK EXPERIENCE

### Full Stack Web Developer

Speed Track, Makkah, Saudi Arabia

Oct 2024 – Present

- Developed and maintained scalable web applications using Laravel, PHP, MySQL, and Node.js, enhancing system reliability and performance.
- Led the design and implementation of a company-wide loyalty membership platform, integrating real-time notifications and multi-tenant architecture.
- Strengthened teamwork, code quality, and deployment practices by collaborating closely with designers, supervisors, and backend teams in an agile environment.

### Web Developer

Quantomex, Multan, Pakistan

June 2022 – July 2024

- Deepened expertise in full project lifecycle: from UI/UX to database design and API integration.
- Gained real-world experience in building SaaS systems with subscription management, OTP verification, and secure payment gateways.
- Improved problem-solving and team leadership skills by managing complex features and mentoring junior developers.

## EDUCATION

### Bachelor of Computer Science

Air University, Pakistan

CGPA: 3.42/4

## SKILLS

- RESTful APIs, AJAX, JSON, Authentication & Authorization (JWT, OTP)
- SaaS Architecture, Payment Gateway Integration (Telr), Multi-Tenant Systems
